1944 Spring Dahlia List .

HAMMOND DAHLIA GARDENS
5700 NEW YORK AVENUE
DES MOINES, (10) IOWA

Postmaster: Forwarding and
Return Postage Guaranteed

Greetings

Through the wishes of close friends I take pleasure in offering you this list of fine Dahlias that grew very successfully in my gardens this past year. I feel that flowers and vegetables both are very much needed in these trying times. "Keep the home fires burning" and the yards in bloom, keep America beautiful for the return of our boys and girls from the war services.

During the past two years I have had many kodachrome pictures taken of my Dahlias as they grew in the gardens. I now have a projector and can show these pictures on a screen at my home. Call 7-2994 for an appointment

I am extending until April 1st the same liberal offer that I made during the last blooming season: 10% discount and a credit of 25c on each \$1.00 order to be applied on other Dahlia roots for full cash remittance with order. 2 per cent Sales Tax in Iowa.

Defense Stamps will be acceptable for cash.

No mail orders received after April 1st. Dahlia roots will be delivered in April. The ideal planting time in Iowa is from May 10 to 25. Full instructions for planting and care of Dahlias will be included with every order.

GUARANTEE

All Hammond Dahlia stock is guaranteed to be healthy with a good eye or sprout and true to name. If it proves otherwise I will replace free or refund the amount you paid me. All Dahlia stock has been state inspected.

Don't miss this one: Visit the Dahlia Gardens in August and September.

I am your Dahlia Service Man. Do not hesitate to call or write me at any time.

Respectfully your,
CHAS. I. HAMMOND.

Height Classification: (T) Tall; (M) Medium; (L) Low
